Discussion:

- **Note** that chapter 14 is a preview of the following chapters, these things are part and parcel with previous and following events, speaking chronologically.
- **Discuss** the identity of the 144,000 with the Lamb – the sealed Jews on the earth, or some other group of the same number from the saints in heaven? What is the timeline?
- **Discuss** the importance of the three angels in vs. 6-13, and what their mission tells us about their timeline.
- **Discuss** the two reapers and the two harvests, noting the identity of the first reaper as Jesus Christ (“Son of Man” = Jesus in Daniel 7:13-14, and throughout the gospels it is the title Jesus uses of Himself). What does their mission tell us about the timing of this passage?

Open Question:

How does the prophetic content of this chapter apply to a Christian living today?
