## LESSON – TIMING OF THE FLOOD

### Timeline

**Genesis 5:32** Noah 500 when sons were born (triplets?)

**Genesis 6:3** 120 Years until Flood – assume, this is when he told Noah

**Genesis 6:9-11** Not timing issue dating the warning to Noah's 500<sup>th</sup> birthday, but part of the introduction to the Toldot – notice v11 starts the story. The big "Then" in 6:13 is assumed to correspond to the big "Then" of 6:3, meaning that God told Noah about the coming judgment 20 years before his sons were born.

**Genesis 7:7, 10, 13-16** 7 days from enter to rainfall, same day they entered the door was shut.

**Genesis 7:24, 8:3-4** 150 days rising, including 40 days, after the cessation of rain, after which receding starts AND the 150 day period also marks when the ark rested on Ararat
