### WEEK NINE – FLOOD PART ONE GENESIS 6:8

**Genesis 6:5-8** Wickedness of Mankind, but for Noah

**Genesis 6:9-10**

- v 9 New Toldot
- Noah walked with God
- Noah's sons, C.F. 5:32

**Genesis 6:11-13** Wrath of God

**Genesis 6:14-18**

- v 14 Gopher wood – no translation, only use in Scripture, could be a process such as lamination rather than a particular Cedar/Cypress/whatever
- Pitch Petroleum-based tar
- v 15 450 ft long, by 75 ft wide, by 45 ft tall (18 inch cubit)  
510 ft long, by 85 ft wide, by 51 ft tall (20.4 inch cubit)
- v 16 "opening for light" – understood as one cubit tall – all around under the roof door in the side – don't know which level  
made in 3 stories – presumably 15 ft ceilings, or maybe different heights
- v18 covenant not yet made (ch 8 & 9)

**Genesis 6:19-7:3**

- v 19-20 Every living thing
- v 21 Food for everybody
- 7:2-3 Distinction of clean and unclean animals and birds

**Considerations:**

- Devastation of millions of people judged, creation destroyed
- Dinosaurs not wiped out by flood – on the ark!
- Global myths regarding worldwide of massive floods
- Pictures of modern recreations

**NEXT WEEK: FLOOD – CONTINUES GENESIS 7-9**
